Meat Traders

Dear Sir/Madam

DETECTION OF AFRICAN SWINE FEVER (ASF) IN ANHUI PROVINCE, PEOPLE'S REPUBLIC OF CHINA

China has reported the detection of African Swine Fever (ASF) in pigs on a farm in Nanling county, Wuhu city, Anhui Province. As such, we wish to inform you that the export of pork and pork products from Anhui province is suspended with immediate effect.

Processed pork products which comply with the OIE guidelines for the inactivation of the ASF virus may continue to be exported to Singapore. To facilitate the clearance of permits for processed pork products, the following additional attestation are required to be included in the Veterinary Health Certificate accompanying the processed pork products:

- a) The meat has been subject to heat treatment in a hermetically sealed container with a F_0 value of 3.00 or more; or
- b) The meat has been subject to heat treatment for at least 30 minutes at a minimum temperature of 70°C throughout the meat; or
- c) The meat has been cured with salt and dried for a minimum of 6 months

Please contact Ms Lily or Ms Zawiyah at 6805 2857 / 6805 2863 should you have any enquiries on the import suspension.

Yours faithfully
